

BBF-NPS-016

50mm Wedge Anchor Zinc Plated

Ideal Car Park Safety Fixing

- ✓ Zinc-Plated Fixing - Superior Weather Resistance
- ✓ Extra Strength Fixing for Cement Anchoring
- ✓ 1 Year Warranty

About this product:

M12 Wedge Anchors from Astrolift come with a durable Zinc-Plate Finish to provide a next level of weather and corrosion resistance. The design of the Wedge Anchor enables a much stronger Fixing when installed. This Wedge Anchor is ideal for installing Speed Humps, Kerb Ramps and other similar products into Concrete Substrate and is a reliable permanent fixing when you need added strength.
